Boxing Day is so called because servants and tradesmen in olden times would receive a Christmas box from their employer. Good to see some traditions die hard — young office intern Emma gets the pleasure of unwrapping boss Tina's splendid box after a debauched Christmas party. "It's Christmas, so anything goes!" grins Tina as Emma tucks into her titbits. "I expect to be telling her off and tutting at her for coming in late in January, but for tonight, I'll do exactly what SHE says!"

School Daze

Me and my husband Nick love the stories in *Escort*, so we decided to send in one of our own.

I had an idea to add some sparkle to our sex life so I picked up my husband from work dressed as a school girl.

I was wearing a little grey skirt, stockings, suspenders and no knickers.

I also knew he'd be with two of his mates when I picked him up and this gave

When I finally arrived, Nick's smile told me all I needed to know.

I climbed into the back seat with him and Nick slipped a finger inside my cunt, almost making me cum there and then.

Dave climbed in with us, so I flashed him my pussy and Dave unzipped his work trousers and offered me his cock.

It looked so sweet
that I just had to
suck it. I wrapped
my lips around his
long black shaft
and slurped up and
down on it as Nick
slipped his cock
into my cunt.

Now I felt hands on my arse and I knew his mate Tom's was behind me.

I rode Nick's prick hard with increasing excitement as Tom's guided his dick into my last free hole.

Three cocks fucked me until my body was racked with orgasms, then one by one, they pumped my body full of hot creamy cum.

Cat's Cream

When I heard that my mate Jon was splitting up from his missus, Catriona, I was actually pretty upset. And I wasn't just thinking of him – I'd always had a soft spot and a bit of a hard-on for her, too!

He said he'd be keeping their flat on and she'd be moving back up to her parents' house in Scotland.

One Saturday, not long before she moved out, I called in at their place, knowing he'd be out at the football. She was a bit off with me at first, like she thought I must be taking sides with him, but when I

said I was there to see her, to say goodbye, she seemed really touched. "Know what?" she said. "I never could stand most of his mates, but it's different with you."

We gave each other a

big hug, just friendly, and she snuggled right up against me. Then she looked me straight in the eye, and that was it – I just went for it.

I knew I was out of order, even though they'd split already, and started on about how I didn't want to take advantage. Cat just snogged me again, shutting me up. She'd always seemed quite sweet and quiet, but she wasn't shy now - I felt her hand on my crotch, stroking my already-stiff cock through my trousers. "Let's go into the bedroom," she said.

I told her how I'd always fantasised about seeing her naked – which she seemed to think was hilarious – but when she let me undress her, she was well worth the wait.

**HER SNATCH
TIGHTENED LIKE
A VICE AROUND
MY COCK THEN
PULSED TILL I CAME**

Slim but curvy where it counted, with the best tits I'd ever seen. I reckoned they'd fit perfectly in my hands, and the sight of them nestled there, nipples stiff and begging to be sucked, got my hard-on throbbing.

Her pussy was something else as well. She had a full, dark bush, and I dropped down to my knees to have a play with that too. I ruffled it, then parted it to reveal her wet pink slit. I tasted her off my fingers, but before I got the chance to go down

on her, she took the lead again, grabbing my hand and fucking my thick fingers in and out of her hole.

They slid back out when she let go, then she just got up on the bed, lying back, legs spread and body arched. "If you want to fuck me, we'd better go for it now," she said. I didn't dive on her; I just took my time, getting in position between her thighs, taking the

us to frig her clit, and that really set her off. Her snatch tightened like a vice around my cock, then seemed to pulse as she came. I felt a rush of spunk from my balls, my whole body shaking as I off-loaded it in her pussy.

We cuddled up afterwards, no awkwardness, although I copped a few sneaky feels, making the most of the

situation. I thought that had to be it, that it was a revenge fuck on her part and that I'd never see her again, but she must have taken my email address from Jon.

She wrote me, just quick and friendly, telling me to get in touch if I was ever in Scotland. I hadn't been planning to go soon, but I am now!

Dear Julia

Wow, am loving the horny ladies of vol 34 no 11, especially cover girls Brook and Lexus. I would love to see their sexy feet: it should be a law that all pretty women must bare their feet (Hmmm – wishful thinking for a horny foot guy!). My girlfriend also approves of me ogling the pages and she likes seeing my reaction when I see girls I like. Keep up the good work. Eddie, by email.

Love the pictures of Lexus and Brook: Tag Team. Brill! Spoiled for choice, I'd love to tag them both.

DEAR JULIA

Oops, I mean shag them! They're both gorgeous lovely cuties – and both of them can share my spunk over their lovely pert tits. Paul, S. Wales.

Julia says: We trust you sprayed them head to toe yourselves, guys!

Dear Julia

I have been getting your mag for years but have never written in but just feel I had to this time. JANEY

WOW! What a gorgeous hairy muff. You have some cracking tooty in your mag and I usually have a wank over them all but this month I am going for shooting my goo all over that hairy bush. So nice to see a bit, nay, a lot, of hair, and on such a cracking stunner as well. Janey is the best you have had for a long time, where have you been hiding her? Off to have another wank now. Big Pete, by email.

Julia says: Fannies – we want to see LESS of you! More hairy curtains please, readers' wives!

Dear Julia

I think you might have discovered the girl of the year in the last month of 2014. Ria, what a stunner! Dean, Cumberland.

Julia says: Ria really is a dear, isn't she!

REAL VIBE SEX

Tamara Reading

A Christmas party that really goes with a swing, not to mention the cab ride home!

SHAFTED

Normally I hate work Christmas parties, but this year's was fucking blistering! The firm I work for has 300 employees and they hired a club and laid on a big do, including a sit-down meal. The booze flowed and to "promote mixing", we got seated next to people from other departments.

I was by Tamara, from Human Resources. I was thinking about giving it a go, but then she mentioned that she lived with her fella. I was a little gutted as she was seriously sexy but, as she got pissed, she got flirty. And the real

shocker came when flirted right back and she said, straight out, "If you want to fuck me, you have to let my boyfriend watch."

If I'd been sober, I'd have freaked, but Dutch courage made me say yes. Tamara called her bloke, Shaun, while we waited for a cab, and he opened the door to us. I'd been expecting a bit of a wimp, who'd just stand there, getting off on the humiliation as I gave his missus a bone. But he was OK – quite a bit older than Tamara, though. He clearly appreciated what a horny bitch he had and liked showing her off!

She cupped and rolled my balls until my spunk boiled over

He offered me a beer but I'd already drunk enough, and Tamara pawing at my crotch in the cab home meant I was raring to go. As she stripped down to

pink lingerie, black suspenders and her pirate-style boots, he asked whether I would mind him taking some photos, just for the two of them. I said OK, or maybe I just nodded with my tongue hanging out.

This wasn't a threesome but Shaun was calling the shots. He told her to strip me off slowly, then get on her knees and give me a sucking. Just the anticipation mean I was painfully rigid by the time I felt her hot breath on my bell-end.

She licked it slow, obviously playing up to the camera, making sure Shaun got the shots he wanted. But it didn't bother me at all – as she closed her lips over my

helmet, moving them against the ridges at the top of my shaft, I just drifted off, lost in the sensation of her sucking and lapping.

I thought this blow job might just be foreplay, but she carried it through, gobbling half my shaft and wanking the rest of it in and out of her mouth with one hand. The other was cupping and rolling my balls, churning up my spunk till it finally boiled over. I came so hard it caught her off guard, my first jet spurting down her throat. Then she let my creamy cock slip out and aimed it at her face, Shaun snapping furiously as she wanked

me all over it, wringing out the last few drops. "Rub his prick against your face," Shaun told her, and she instantly did as she was told.

While I recovered, Shaun took some solo pictures of Tamara, close-ups of her with her cunt wide open and her fingers stuffed up it. He was telling her how wet she looked, and I was soon hard enough to feel it for myself.

Now Shaun started directing me too, like I was his "stunt cock" – doing what

"You **must** go to

Tiresome innuendo, lame jokes and middle-aged men dressed inappropriately — pantomime just sounds like a day in the Escort offices. So we've never actually ventured to the local fleapit to watch assorted Z-listers ("Isn't that Gareth Gates, darling?") being contradicted at by sugar-crazed brats: "Oh yes he is!" "Oh no... we're out of here." Winner of the 2014 Paul Raymond Awards Escort Cover Girl of the Year, Brook's (no) panty-mime is the sort of show we would pay good money to see though...

Thickets please! When we heard about top deck exhibitionist Alex (22, from Surrey) we had to get her bush on the top shelf. Several late night bus journeys later we found her on the back seat at the top opening up her Oyster for everyone's pleasure and looking like she was going all the way. "You always meet really interesting people on the bus!" she told us, by way of explanation. "They're a lot more friendly than on the train. I always get chatting and sometimes things develop!" Doesn't the driver have anything to say about the arrangement? "Oh, no! He just loves to watch in his mirror!"

wedding Banned

My bloke Wayne's a bit of rough - which is exactly how I like it.

My only real problem comes when I need him to get suited and booted, like for the wedding we went to the other week. I don't know why I gave a stuff - it was his mate getting hitched, not mine. But I finally managed to force him into a suit, ironed shirt and shiny shoes. The next hurdle was getting him to shave. It wasn't "designer stubble", as he put it - way too long. Then he reckoned he was growing a beard. "Are you fuck!" I said. In the end, he said he'd shave it off if I shaved my snatch.

I'm no stranger to shaving down there. I keep my bush trimmed and have Brazilians done in the summer, but I'd never fancied losing the lot.

But Wayne was serious, so I grabbed his shaving foam and razor. He offered to help, but I told him there was no way he was messing up his suit.

Messing it from the inside was clearly his biggest risk - I could see he was already rock hard. I'd taken off my panties, but left my stockings and sussies on. Now I was on

the bed, towels under my arse and mirror propped in between my knees,

smoothing sticky white foam into my pubes. Then I started pulling on my labia, stretching them nice and tight so I could shave my fuzz off safely.

I got it done quickly - maybe too quickly for Wayne's liking - then mopped and dried myself off. Now I finally gave in, letting him have a stroke of my smooth, cool skin. I

my pussy. Although I knew we were in a rush I started to moan, and screwed myself against Wayne's fingers, grinding myself against it until I came.

Yes, it was mean of me to stop Wayne wanking himself too, but I got a buzz from

dragged him out to the car.

I thought I'd leave him in suspense all through the ceremony but soon realised that wasn't going to work. So, once we got to the registry office, we nipped into a loo. I just

kept thinking, what if we got found out, people wouldn't ever let us forget something like this. But maybe that gave me a kinky little thrill too.

I teased Wayne a bit, telling him to roll my skirt up neatly so it wouldn't crease, and to pull his trousers down, not just unzip, so he wouldn't risk

staining them with spunk and juices. "Shut the fuck up..." he sighed, and jammed his cock up me, fucking in deep. I had to work fast to cum again, but it didn't take much clit-frigging to get my pussy pumping around his shaft.

He said there was one sure way of keeping our clothes spunk-free. He pulled out of my cunt then I turned round, opening my mouth wide so he could slide his cock inside it without making too much mess of my lipstick.

I lapped against the underside of his helmet, then felt and tasted his spunk as it splattered out of his tip, onto my tongue and down the back of my throat.

Nobody was around when we sneaked back out of the loo, but I couldn't look at Wayne all through the ceremony in case I cracked up over what we'd just got up to. And I couldn't get my mind off how

wet my pussy was – with no pubes to soak up the juices, it was dripping.

We left earlier than we'd intended to, so we could fuck each other stupid back at our hotel. I doubt the bridal suite saw as much action as our room did that night!

Chloe

Chloe is a girl who demands to be in charge, as you might be able to judge from the forbidding exterior, the riding crop and the chains. "You have been a naughty boy, buying this magazine," she purrs sinisterly. "What would your girlfriend or wife say if they caught you? Of course they know about your special hiding place. Women know everything. Which is why I know you'd like to take a good spanking from me before I let you fuck me hard, fast and messily..."

Take in SPLODGERS

Since me and my brothers left home a few years back, I think my parents have missed having us around, so they started taking in lodgers. It's usually boys, because that's what they're used to, so I was a bit surprised when their latest tenant, Charlie, turned out to be Charlotte.

pissed to fuck. But I still made her wait. Finally, at 2am, having nursed a hard-on for the past few hours, I snuck into her room. She was wide awake and very wet and sticky between the legs. I didn't care – I love to fuck a pussy after an orgasm, sinking my cock into the wet, puffy depths of it.

Not that I stuck it to her right away. I'd sat there half

although she wasn't quite up to taking it deep. But the suction on my helmet was doing it for me anyway. "Just fucking take it,"

CHARLIE, DEVON

I moaned, in between slurps, my chin and cheeks all wet from her juices. "I wanna be cumming down your throat." So, when I finally

started sperm-ing into her

mouth, it just made her suck me harder, fondling my balls like she was trying to squeeze them dry.

reached underneath her, grabbing myself two handfuls, bumping my cock hard up her until I was flooding her snatch with cum. Then I reached down and gave her clit a little diddle, just enough to get her orgasming around my still-hard prick.

Acting the innocent may have come easy to Charlie,

I SWIVELLED ROUND TO PLANT MY CROTCH OVER HER FACE

I first met her when I went to visit for a week. She was 19 and seemed a bit sweet and innocent.

That evening, I took her out to our local and plied her with booze. Then, back at home, we had this really passionate snog on the doorstep. I told her she was gorgeous, but she was pretty drunk too, and I wasn't going to take advantage. I didn't want her doing anything she'd regret.

I guessed rightly she'd be totally gagging for me by the next night. We went down the pub again and, love her, she switched to soft drinks towards the end, so I couldn't accuse her of being too

the night watching her put on lip gloss, then lick it off again. She could put that pouty little mouth of hers to good use first. I spread her legs then started eating her out, and when I'd got her a bit more excited I swivelled round, planting my crotch over her face.

She could have ignored my hard-on if she wanted, just laid there and enjoyed what I was doing, but she instantly grabbed my tool and started to wank it, opening her mouth so she could rub it against her tongue.

She didn't need any telling to start sucking on it,

She had the most gorgeous arse on her, all plump and squirmly, perfect for shagging doggy-style. When I was ready, I had her on the bed opposite the mirror, and couldn't take my eyes off her tits as I ploughed in and out. In the end I just

but it was hell for me – let's just say I was well fired up for the next few nights of fun. When I went home again, my mum kept thanking me for "being nice to Charlie" saying I had a bit of an admirer there. That's one way of putting it! Danny, Devon.

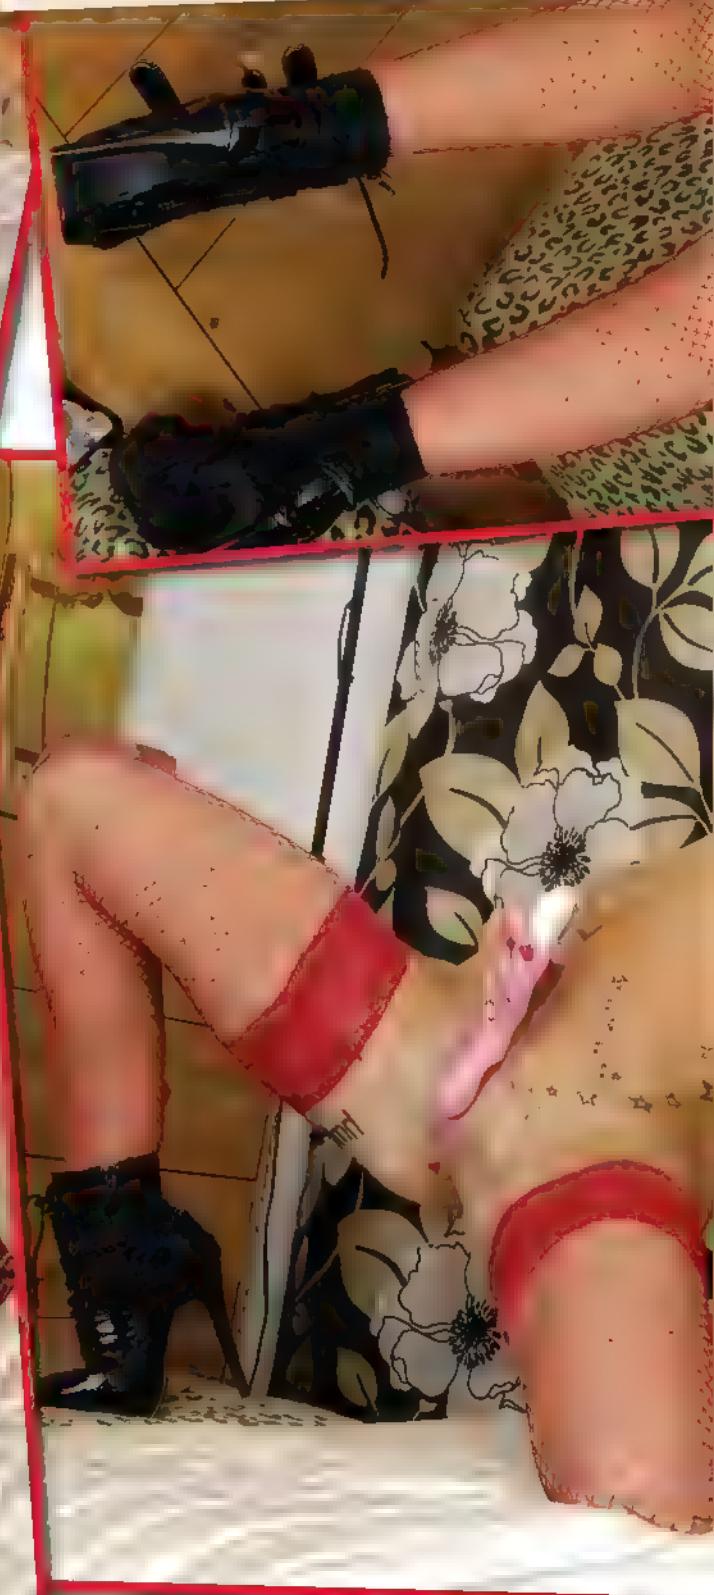

CARLEY
MAUI BEE

Porn Cocktail!

Her tattoo might be incomprehensible, but there's no doubting what Carley wants – all the time. Never mind the come-to-bed eyes, when the 20-year-old has her knickers off and her legs spread within five minutes of meeting her, it's more a case of come-to-bed thighs. "Am I a nymphomaniac? No, I don't think so. I've just got a healthy interest in sex. Isn't a nympho just what a man calls a girl who wants more sex than he does? I'm young and have a beautifully tight pussy. So why not share that? What does my tattoo say? Well, you'll have enough time to look at it while you're screwing me from behind to work it out!"

REAL WIFE SEX

Tamara's story, continued from page 19

he wanted to his willing missus. This was fine by me – it just built up the thrill as I ground my cock against her slit, wetting it without thrusting. Pausing the action just let me keep control. Then he told me to pull her wide open and stick my cock right up her.

She was really fit, with one of the best, arses I've ever seen, and her snatch felt tighter than it looked, gripping my shaft as I pushed in.

She moaned – not just working

I wet her bum with spit and teased her hole open with my fingers

it for the camera this time – as I started to ram in and out. She reached back to rub her clit, parting her lips so Shaun could see how swollen and stiff it was, then he told me to finger her arsehole.

I wet her bum with spit, rubbing it in as I teased her open. Then I stuck two fingers in her arsehole, sliding them knuckle-deep. She was tight but took them easy – she'd obviously had plenty of cock up there.

This drove her mental – she was banging and bucking against me as I stuffed her two holes full. She was begging Shaun to let her suck his prick, like she was going for the hat-trick, but he just ignored her and snapped away.

I felt her orgasm a couple of times, then just went for it, Shaun letting me do my own thing now. Then I groaned that I was cumming, again losing a spurt inside her, but pulling my sticky length out so I could jizz on her too. I withdrew my fingers from her arsehole, which left her

ring slightly open so my thick white cream sank into it.

I'm not one to outstay my welcome, and Tamara and Shaun were obviously desperate to get stuck into each other. I had a beer while they called my cab, but felt like such a spare cock – literally – that I went outside for a ciggie, and waited there, smoking and listening to the sounds of hard, heavy fucking coming from their bedroom.

Next day, a lot of people came in late with hangovers. I used my "lie-in" for a leisurely wank over the last night's action.

During the past year I've bumped into Tamara at work a couple of times – she's smiled sweetly, flirted a bit, then moved on.

But I still reckon there's a chance I'll get to enjoy round two at next year's party! ☺

Serious fucking

Last Friday night, when Josh got home from working late, he found me in his bed, doing myself with a big dildo, getting hot and ready for him.

He reckons he gets turned on when my snatch has a well-fucked feel to it. One of his favourite fantasies involves me going out, getting laid, then cabbing it straight home as quick as I can, so he can stick his cock in

my spunky, sloppy hole.

So he got in and I went straight for his crotch, pulling his cock out to see how hard he was.

**STELLA,
WALES**

Sticky quickie

I love a long, slow fuck but I've always been into quickies too. A fast, hard bang gets me going better than coffee first thing in the morning, and snatching a screw at times and places you shouldn't is fun too. Recently I was at a party

and my energy levels were a bit down. I knew a shag would get me going all over again, so I went on the prowl for a willing bloke.

I soon saw this lad, James, who I vaguely knew, standing talking to a crowd of his mates. "Can I borrow him a minute?" I asked.

They said I could keep him. Seeing there was a queue

And while I was down there, I gave it a little welcome-home kiss – with my tongue, naturally. It only took about two minutes before he had me naked apart from my sexy shoes.

As he shagged me sideways, face to face, I threw a leg over his hip, prodding his arse cheek with my heel, like

£90

I THREW A LEG OVER HIS HIP, PRODDING HIS ARSE WITH MY HEEL

I was spurring him on to pump me even harder. His tongue was exploring my mouth, his prick even deeper up my snatch, then his entire body went tense before he jizzed his wad up me.

As we were pillow-talking afterwards, he got a horny look in his eye – then bet he could make me cum in a position I never had before. If he won I had to give him a long, slow blow job.

get his cock out of his jeans, furiously wanking it to get it hard – well, I had sprung this on him a bit.

Still it wasn't long before I had a leg up over his crooked elbow, opening my

**AMANDA,
LANCS**

MY CLIT WAS THROBBING AS HE TONGUED MY NIPPLES

for the loo, I just found a bedroom instead. Someone was already flaked out in there, probably pissed, but that didn't really bother me.

I leaned back against the wall, pulled my little panties to one side, and told James to get his cock up me. As I snogged him I felt him

snatch up wide, and I had my hand down to guide him up me.

Immediately he started to fuck me fast, and when I got my tits out and he rubbed his face in them, that just got him going even more.

As he started sucking on my nipples, it felt like they

**CONTACT
ME**

were somehow wired up to my clit – it was throbbing and twinging like mad as he tongued and gently nipped them.

He was fucking me so fast and deep, hardly pulling out

I knew he'd won within the first few seconds. He had me lying on my back on top of him, arse up against his chest and pussy in his face, with my legs on either side of his head.

There's not a big height difference between us, so I was able to turn my head and feed his cock into my mouth. I thought I might as well start gobbling him now, and giving head always makes me cum harder, so I got sucking!

"Frig yourself," he said, his

before I felt his cock head thud up against the roof of my pussy. I pushed a hand down in between us to play with my clit, and soon I was cumming hard around

lips vibrating against my labia. He watched in close-up as I fingered my clit, then got stuck in even more. I came so hard Josh said I squirted, juicing in his mouth.

Time to pay up on the bet properly. My lips slid right down to his root, staying there for as long as I could hold my breath. But I kept sucking even as I pulled back off him, before breathing in and going down on his entire length again.

As he got closer to cumming, I switched to short, sharp sucks, using my hand to wank his shaft. The first jet of his spunk hit the roof of my mouth, and as the rest spurted out, I stirred his cock around, wiping it over my tongue. I only let him slip out of my mouth when his balls were totally drained. *Stella, Wales.*

went back downstairs for more booze and dancing, though I think the poor sod was ready to flake out!

I'll leave it at that for now – seeing as I'm writing about

James's prick.

And it was like that gave him the signal to get off too. I'd hardly felt my orgasm die away before he was spunking inside my snatch.

I don't know if it was deep breathing or adrenaline, but I suddenly felt more awake than I had all day. I gave James one last snog and

quickies I'm not going to ramble on. I'd like to think of your readers having one off the wrist as fast as they can, seeing if they can cum before they reach the end of my letter.

They've got all the rest of the mag if they want to take their time over a wank!

Amanda, Lancs.

Kitchen Devil

There were a dozen of us, guys, girls and couples at this dinner party.

We'd had a lovely meal and I offered to help clear the table.

Typically, only me and

up onto the counter and pulled my skirt up. We had to be quick as anyone could've walked in at any moment, but that just added to the thrill.

Elaine dipped her tongue between my lips and stroked it inside me.

I gasped as I felt her

the girl whose party it was, actually did anything. Everyone else went off to the balcony.

"You know what that lazy lot are like," Elaine said, pouring me some wine.

wriggling against my folds and bit my finger when she began circling my clit.

She dabbed the tip of her tongue against my love button and stroked a finger

I GASPED AS SHE BEGAN CIRCLING MY CLIT

across my puckered arsehole, making me tingle in the most wonderful way.

I opened my eyes and watched as she licked between my legs. It was the most erotic thing I'd ever seen and I came on her face in that instant.

Elaine slurped it all up and rubbed her fingers over my clit until I came

some more.

I was just cumming for the last time when Elaine's husband walked in and caught us both.

"I wondered what was keeping you," he chuckled, then went back to the balcony. I was embarrassed but Elaine reassured me he wouldn't say anything. "Not if he wants his blow job tonight."

Amber, Sussex.
